VOTED unanimously to appoint (promotional) Karol Kostka of 17 Woodruff Way, Mattapan, an Assistant Registrar of Voters - Administrative Clerk in this department, at a weekly salary of \$94.25. Among the many reasons advanced for his appointment was the fact that he has been fulfilling the duties of this position, without being classified for same, for the past ten years, and he has performed his work in a capable and efficient manner wholly satisfactory to the members of this Board. The Board further voted unanimously that the appointment (promotional) would become permanent on 3 August 1960.

It was brought to the attention of the Board at this time the following matter:

P. A. Milan, Inc. of 200 Milk St., Boston, who have a contract with the City of Boston, for and in behalf of the Board of Election Commissioners, for the transportation of voting machines, was obliged to incur expenses for overtime for its employees during the period immediately preceding the Presidential Primaries held last April. This was caused by the inability to deliver voting machines, through no fault of P. A. Milan, Inc., until the Saturday and Monday night immediately before the Primaries in several of the voting precincts. The contract does not provide for overtime, and on motion duly made and seconded, it was voted two to one

to amend the original contract so that payment could be made for work performed by P. A. Milan, Inc. caused by circumstances beyond its control and the control of the Board of Election Commissioners.
